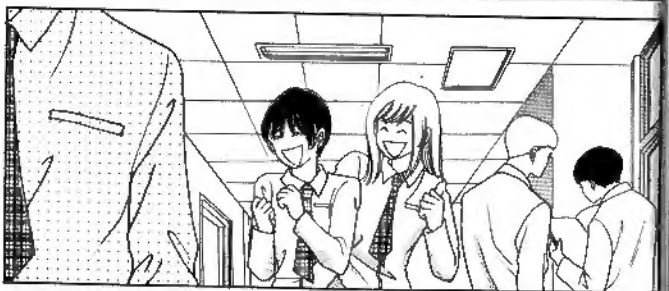
I met Aram in this morning.
She was carrying a load of notebooks. I was trying to help her. She then freaked out and ran away.

She must have been shy.
Yeah, she was so cute that my heart pumped.
No wonder Sin Uoo wants to hide her from others.
Sin Uoo even did some big act to pretend to hate her. It just makes me to hunt her more.

헉헉헉헉

He was suffocating me.
He is not a violent person, but he scars hell out of me.



Is it heavy? You keep dragging it on floor.
Not really .... I just don't want to hold it higher.
Even if it's not heavy, such an item does not suit you.
Give it back ! You are even taking a trashcan from me ?!

Get lost.
She is having a spasm for seeing your ugly face.
I will carry this ....
Frigging bastards..., they are trying to take whatever I have in my hand.
No such a thing happened when I was a jjang ....
I am scared.
I didn't know being bullied is like this.
I give up.

헉
This is the worst day of Ha Ji ! I can imagine how those I 've defeated lived.

Why did you run away ?
I did ... not run ... I don't do such a cowardly act ...
Looks like you are enjoying this situation.
Even sometime ago, none of guys around you treated like a human being. You are now even managing them well by being tricky and all.
What is he saying ? Is he upset or what? Well..., I guess he is upset because I am not doing my duty as a worker well...

Hmm, human emotion is interesting.
I did not expect this kind of result....
Should I have stamped the fact ?
Stamp ?
How long are you going to hold this smelly thing ?
He took it !
I lost it !
What now?!
Should I attack him ?!
I don't want a mutiny.
You are giving it back ... ?

Didn't you come to empty the trashcan ? It's obvious.
He is more generous than othes. I guess I can see why he is the jjang now.
광
Look, they are now going together publicly.
Well, they both are way above average. So, they suit well.

Why is everyone looking at me
Damn it I am someone's worker I guess they find it amusing
I was in my original body I would duel him again but will power only works when there is a small gap I would lose 100 times out of 100 in this condition
I had no idea one lost duel would be this much of humiliation
Why why did it have to be this body This body has no great effect even after some training I have too little chance to defeat Sin Joo in this body It means I would have to be his worker as long as I am in this body

Stop worrying and come back to the reality
It's the lunch time
Your only hope and your Endolpin
That's an old story now
두근두근

Ok let s be quiet and don't let anybody notice me
Aram eat here
will carry this
N no It s M lunch
Aram doesn't want you Come here Aram
Get your hands off her
Get lost
You two go away This is my lunch
You are spilling the soup
This is ugly All the guys are after her
She is being treated like a queen What a way for a former loner

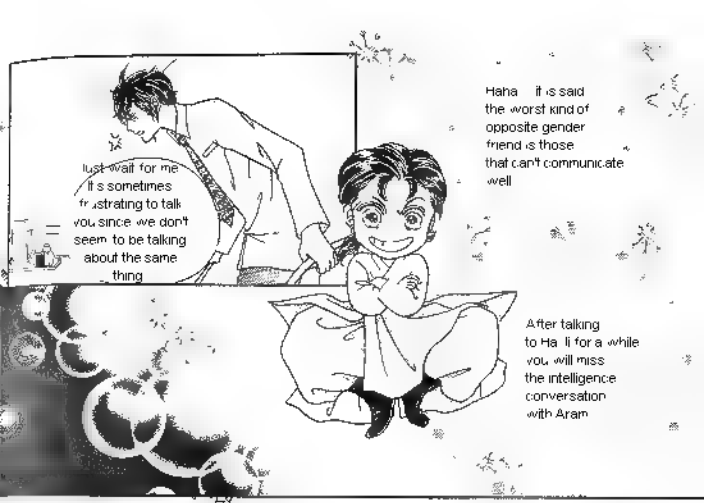
said let go of the plate
gonna get some food
Where is my spoon
You bastards You've gone too far I am going to get you all right now

Stop making mess and sit down
Let me go before I kick you
I understand I might look easy these days but no way am I going to forgive them for destroying my lunch
I will get one more plate for you. So don't embarrass yourself and sit down

Yeah a jjang should be able to get one more plate
She still thinks jjang is like God
You don't want rice Should get spaghett instead

can't watch this She is touched merely because of the food
thought you'd make me do this kind of errand
Did you think was authoritative or something
Even have basic and common manners
Looks like he looks after his workers well He has what it takes to be a jang
can't believe this How can such misunderstandings develop into love

We are going out this Sunday
We are going to meet nevermind will go to your house
So wait for me
Why
Why
Have you forgotten the promise already
Yeah I know
But I didn't know you'd want to do it so late
Do you have a gathering on Sunday
is jargon of date gathering these days
Huh
do people call gathering date now



Haha it is said the worst kind of opposite gender friend is those that can't communicate well
Just wait for me It s sometimes frustrating to talk you since we don't seem to be talking about the same thing
After talking to Ha li for a while you will miss the intelligence conversation with Aram

think someone is spying on me

had a feeling that someone was shadowing me when was coming home
You will find your answer when you look at a mirror
When was Ha li most were duel requests and such wonder why they are trying to approach Aram
Still no muscles no one would want to fight this kind of person don't you think
Why can't she think that there are people with other intentions
Aram Sin loo is here
He says you were going out with him today Why didn't you tell me

Now change your clothes and get ready
Ready

Yeah guess am going to be registered as a member today
The gang came to get me in case get carried over

It s been a long time since you came here

You are going out with Aram take that as a yes to the proposal

Weren't you going to proceed it with or without my agreement
Stand up I will do it Jeez you really came here to get me it s not like I'd run away

JS
Mr. Aram
you look like a doll
with that in your
outfit of yours
That's
enough

JS
Everyday is a war
Too much of love is a sin
So where are we going? Is it far?
Not really we are going to take the subway Is it ok?
No tell him no Aram always took cars
Subway ? No am going to walk

Walk
Aram always rode a car
On the second thought always rode a car Let s take a bus
What is wrong with him did what he asked
We will take a cab My driver is on a vacation
Sin Joo Park don't be so insidious He is testing Aram
He gave up trying to reason with Aram
He is just following what his feeling and instinct tells him now

JS

Are we there yet
Hmm
아~
아
am hungry don't think will do well in the gathering
Well there is still much time left before the gallery closes
Let s go in there
피자

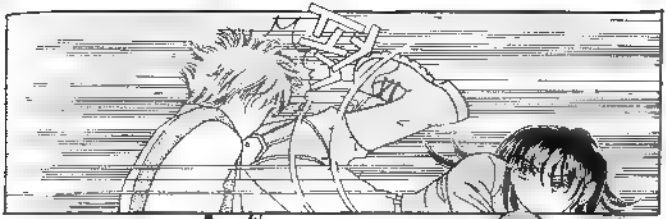
H here
No
Should find another
N no
you don't have to move because of me
A hideout disguised as a pizza shop was nervous because I'd have to be ganged up to be registered as a member
All right whatever will deal with 20 if have to
Seats
thought this shop looked familiar Te Hu comes here often
Guys from Pung Jin high school come here often Let's hope don't encounter them

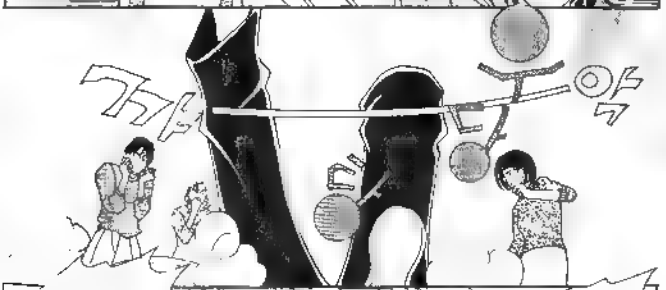
Let s hope not
Crazed dog
Why are you
here ?!

Did you guys belong to Sin Joo? If I am going to have to deal with you guys might be able to make it through
Deal with us ? What the hell are you talking about? We are dealing with others right now
Step aside Why are you blocking the way ?
A sign

Hey
you
Face me !
HELLO!

Ah





You guys are completely jerks
Ah wait
should have known when I felt name of their high school sounded so cheap

Why did you throw your fist ?!
It was reflex She yelled "face me" and
Face me !
All right You asked for it You are going to pay for ruining our meeting with girls
YOKOI
YOKOI

Fight Fight
Sin Joo Park you are
getting headache bet
your first date is
ruined

Get her !
With only this number ! This will be a piece of cake
What are you doing ?!

Te Hu
While you were in the washroom she drove away all the girls
She ruined our meeting
Get your hands off her
Be ashamed of yourself for ganging on a girl
Can't you see this wounded face ?

Just what did you do to get hit like that ?
Are you really our jeng ?
Let her go
Ah
Ok ok let her go already

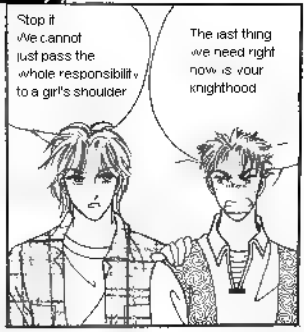
She keeps showing embarrassing side of her
Now how about that Sin Joo Park
If you have eyes you will be disappointed
If you have right mind you will understand
Get up
You really get on my nerve
If you have stress vent it though playing sports or something
Cute! that's cute ?!
Are you out of your mind seriously ?!

You always act before you think in such situations
What
Sports ?! Right So we are going to play a sport for the gathering huh
All right basket ball soccer whatever is fine with me
basket ball soccer You drove away girls you ruined the meeting we've prepared for a year Are you trying to mock us

Of course
You drove
away all the
customers
You broke plates
tables cups

Cash or credit card
15 broken plates
12 broken cups
some broken and
damaged tables
and pay for the
lost customers

We are also victims
That crazed dog caused
all this Ask her to pay
not us



Stop it
We cannot
just pass the
whole responsibility
to a girl's shoulder
The last thing
we need right
now is your
knighthood

Then are you going to pay for the damage
I have 3 brothers and 4 sisters My family is no better than any average ones Do you think I have the allowance to pay for the damage
Then what
This guy's a son of one of richest family in Korea His connection to important people fund are proven to be worthy His monthly allowance is unlimited

Run !
Te Hu
ou
am not going
to let you go
That was nice
I've always
wanted to break
his pokerface

Why did you take this crazed dog with you ? She was the one who ruined the meeting
The meeting was boring anyway Let s play a basket ball or something
Are we going to play basketball for the gathering
Huh f you want
haven't felt this for a long time because had been a jjang all along But this is not bad
What a strange method of thinking
Anyway it feels good Sin joo s first date has turned into a nightmare

wish they'd develop into more serious relationship but he only has protective feeling for her
What a waste he has a very clean mind unlike others
Uh? Was there a ball in our classroom?
No got one from the gym storage room
You broke the lock again?

Let's get along well
Let's play already
Since this gathering is for me everyone face me will take you all
Don't joke me you don't mix well with the dirty play it and but not me

All alone That might be fun as well
What do you think She is going to play against all of us
It s none of my business
He s pissed he s really pissed You and Ha li have nothing in common

Aram are you really going to spend time on this
Of course I have to do this sooner or later anyway
Whatever I am leaving
Intercept
Ignoring me huh ?!
부글
Whatever I am leaving for real
ohoh good Leave and don't ever meet Ha Ii again

Eat this crazed dog

I am the first !

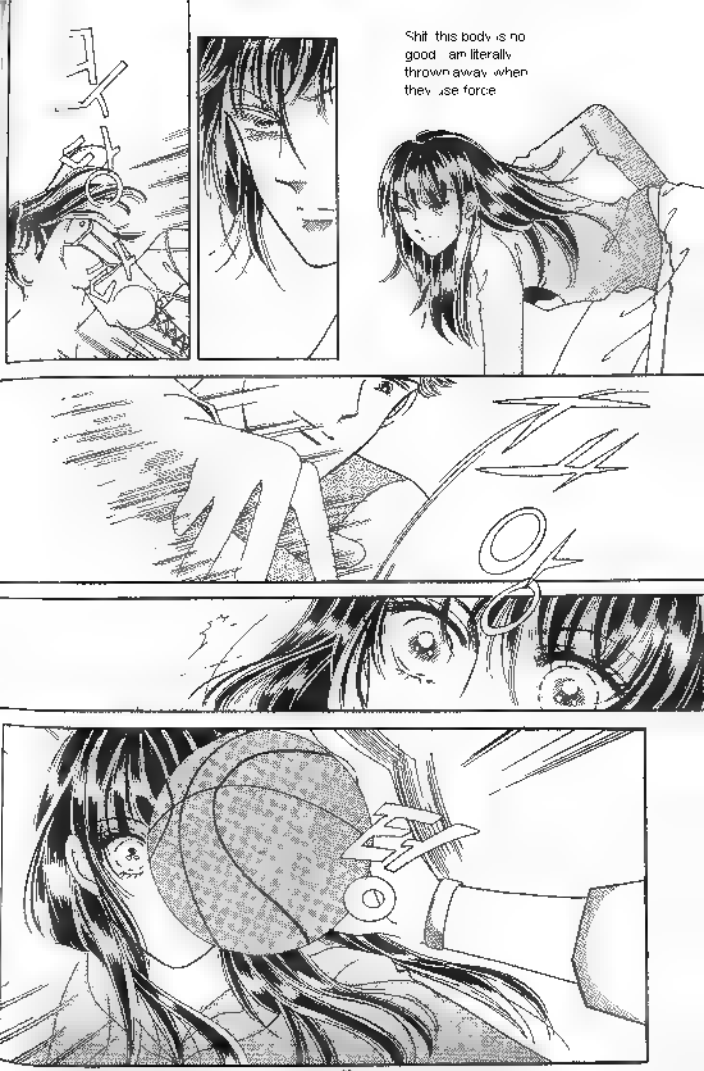
JS
Maybe was too rough But considering all you've done this is nothing
All right didn't expect some mere basket ball in a gathering anyway This is going to be fun Let's do it
Mark
Right side is open

Argh - !

You were pushed with that figure of yours
She hit my stomach with the ball
She s not bad
That s more than not bad

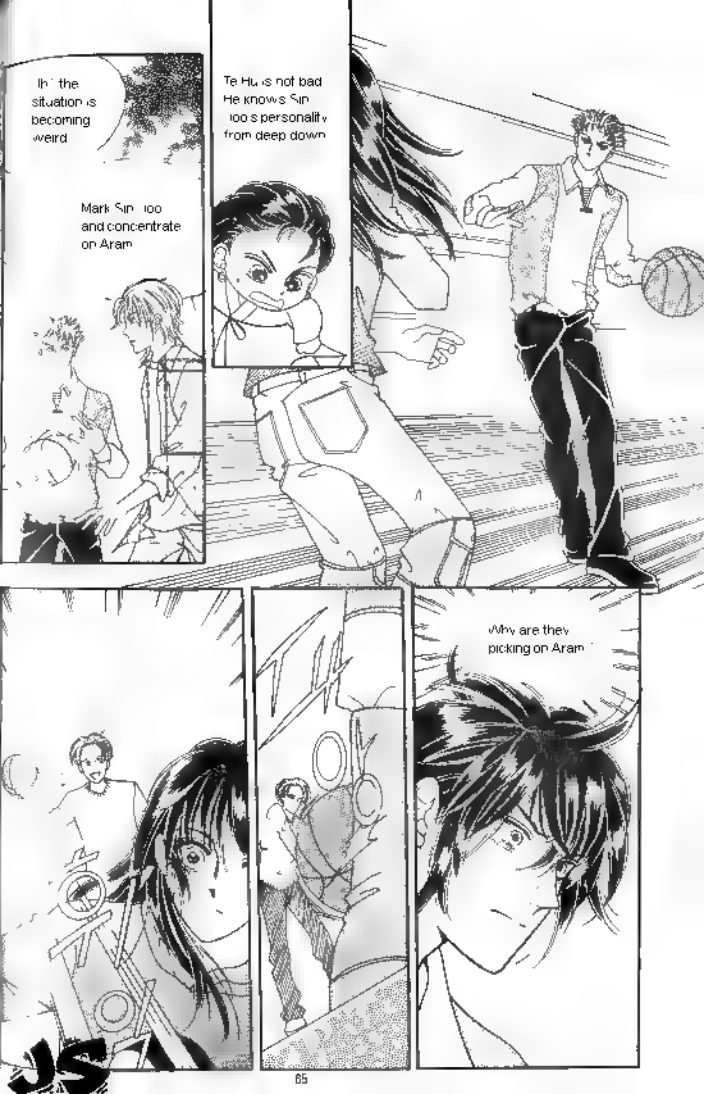
She is nearly good as a professional
쌔애앵

Are you just going to watch her
Keep doing it but meaner
Is that ok
All right Let's do it
에잇
앙
아



Shit this body is no good am literally thrown away when they use force

changed my mind
It's going to be
school versus
school
Seong Hak
versus
Pung Jin



Ih' the situation is becoming weird
Te Hu is not bad He knows Sin loo s personality from deep down
Mark Sin loo and concentrate on Aram
Why are they picking on Aram

All right !
It's fun !
she's excited
The score is
8 4

Are you all right
Uh just bleeding
Yeah dodged a bit So it missed
If you are going to play without proper rules I am going to do the same
We won't be sitting here and let you do that easily

Run !
Are you mocking me ?!
never realized it was so easy to break your pokerface
Te Hu !
What this is it

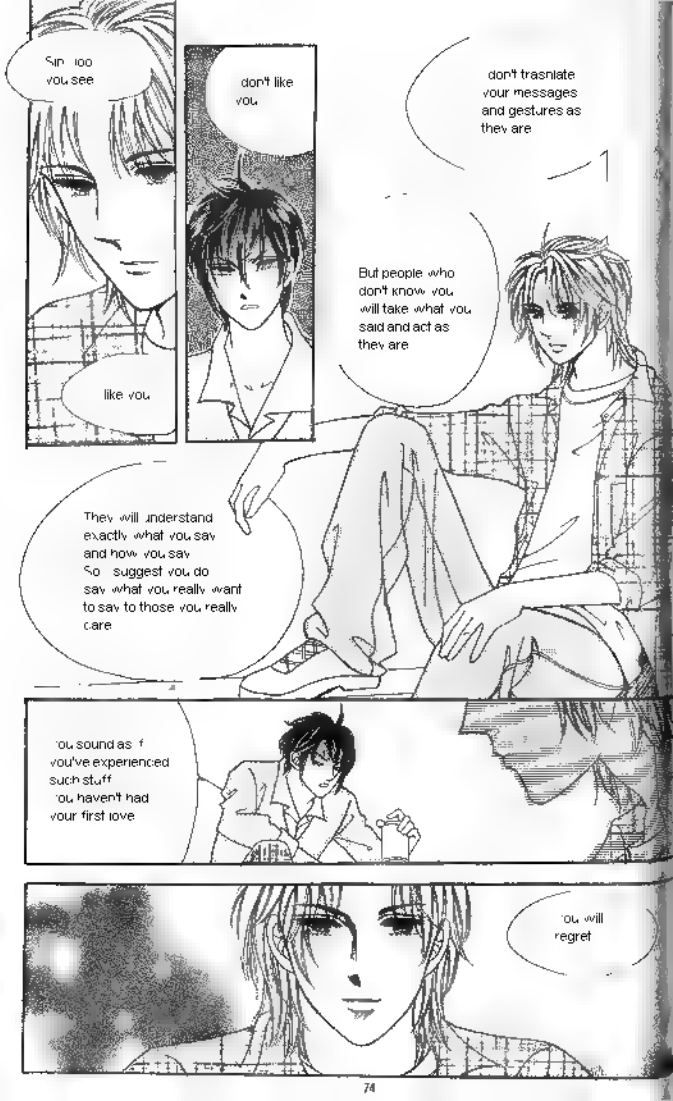
He sure is a nice dude
In a gathering
it's common to
get bullied
He didn't have
to help a new
comer
What are
you looking at ?!
They became
closer
No ... You were the
one who caused Aram
to leave her body and
you are going to enjoy
a good life with your
gonna-be life-partner ?!

I cannot forgive you
shall summon storm
Fill the sky with your roaring Fill the sky with dark clouds
Conquer the ground
The sky
My curse command you to destroy them

The weather's so nice
Today's weather is especially good
Well, I am a low-level anyway

LAWSON
Come on loosen up did try to leave you two alone

saw it Your saliva went right into my cup What kind fo woman spreads her saliva all over the place when she speaks
Ok all right will take care of it
She brought us here after all
Of course not as good as you "Mine " would have never expected you to say that
They get along well



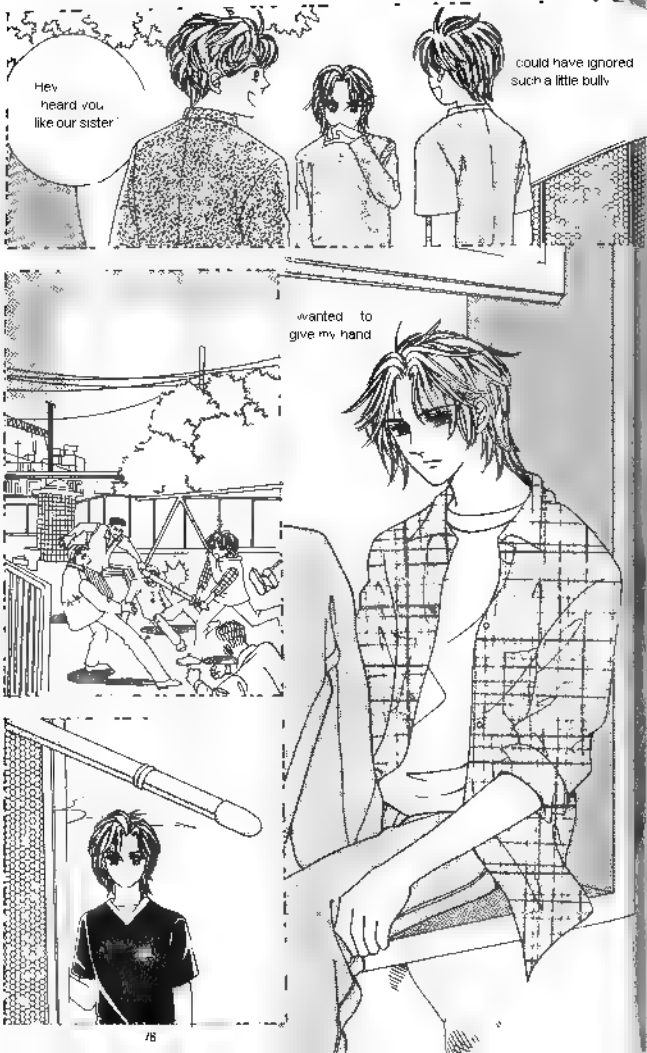
Sin too
you see
like you
don't like
you
don't trasnlate
your messages
and gestures as
they are
1
But people who
don't know you
will take what you
said and act as
they are
They will understand
exactly what you say
and how you say
So suggest you do
say what you really want
to say to those you really
care
You sound as if
you've experienced
such stuff
You haven't had
your first love
You will
regret

wanted to give
a hand

Te Hu ?!

Get up
Do you have to be
protected like a puppy
everyday ?!

wanted to give
my hand
wanted to help
her to stand



Hey
heard you
like our sister
could have ignored
such a little bully
wanted to
give my hand

What about it
You must be shy
It's all right you can be honest
Be happy as much as you want

I've ordered a dress for the day
I didn't have an important meeting
would help you to wear it

Here
Ah

That old pervert
He always prevents me to eat dinner

This is strange
It seems almost as if he is trying to make me not eat
Is he trying to save some dough off dinner

heard the rich are more of miser But haven't seen any worse miser than my mother until now

can imagine how you lived

Hey how much longer can stay in this body

Are you saying you want to stay in Aram s body longer

Well maybe got used to it It s all right to be in here

The owner of that body is Aram You are only leasing the body for a short period

Don't ever dare to think of stealing Aram s body

It s because of
Sin Joo
He is the reason
you are used to
Aram s body
I wouldn't take it
even if I was
offered
Who would want
such a weak body
Tomorrow is
the day

Huh
What about it
Tomorrow
is Saturday
Ah right
tomorrow is
Saturday

I feel like
I've just
ran through
a 100-meter
field
This is strange
am not looking
him from below
Why does his side
look good also
His
His forward face
is even better
That means
he is perfect in
every angle
He has what it takes
to be a king

will see you at the lunch break will have your plate ready
Why
didn't expect you to be nice to me
thought you'd lock me up right after you beat me
You are a nice dude
Nice dude

will be
nicer
Sure
Sure

Are you even coming to school with her now
If you are here for the athletic festival plans leave it on the desk I will read it through and hand it over to the dean
If you have some free time give some more details on the plans We are doing the festival without teachers influence this time Let s put some effort on it

Do you have nothing else to say to me
What do you want me to say
f you want me to say what cannot say take that you want to break up the relationship
knew was special to you knew that was why you were always cold to me But

thought you'd be the one as well
That was if I had an interest you as a female
Don't try to comfrot me like that you can't like anyone
es that was why let my guard down

I've never thought I'd be able to love anyone
And moreover she was the one I would never be able to like So my guard was completely down
And one day she was a part of my mind
When I was finally awake I was in too deep too deep to shake off

JS
don't want this. What are you painting in my face ? What did the old pervert plan ?
Tie her up !
You bad old woman ! That's really something the stepmother in Cinderella would do
Hurry ! we can't let the guests wait any longer
Just hold on for a few hours and then the hotel dinner will all be yours
Hotel dinner
Cakes everywhere Mountains of ice creams

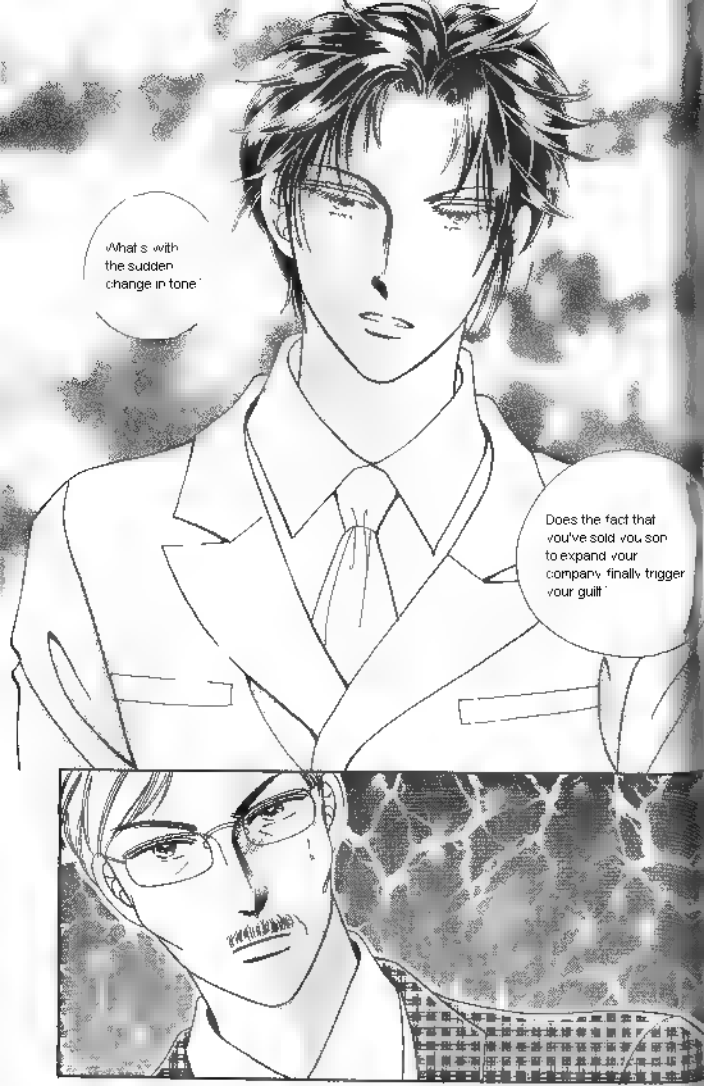
Dinner
Hotel dinner
She's really pretty
This is the most fantastic face I've ever seen last 5 years
Nude-makeup is fitting her perfectly
This is uncomfortable but I am getting free hotel dinner
Worked perfectly
don't like this but Aram will like it when she returns

Congratulations Mr chairman
You must be pleased They are perfect for each other

He looks like a entertainer but he radiates scary aura
Don't look at him His nickname is shave knife the president Han of the Ahsan corp
Mr president your family is here
Aram !
You look especially beautiful today The word absolute beauty is for someone like you.

Aram -
my beautiful
daughter
What are you
a leech
Get off me
You are going to
be engaged today
Who would be
luckier
If you didn't insist
I would have done this
after you graduate
high school I wanted
you to be my daughter
for a little bit longer
Engage
Who
Let's go in
The guests
will be knocked
down as soon
as they see
your beauty
Engagement
Poor Aram
even though this
is the custom for
the rich getting
engaged
at this age

Would you like a drink
don't have money
It's free Don't act like a fool around here
Free ?!
If you don't want this tell me now
can cancel the engagement right now



What's with the sudden change in tone?
Does the fact that you've sold your son to expand your company finally trigger your guilt?

am not denying the trade
The chairman Han
he is very sharp and
mean when it comes to
his business But he is
nothing more than a fool
when it comes to his
daughter
do know that you
do dislike her from time being
However did consider her
to be suitable for you
That s why accepted the deal
But f you
really don't
like it
don't care
keep on going
with the plan
f you reject the
deal the chairman
Han will put more
pressure on the
bank and stock
market Who will get
directly hit by the impact
is your company who
currently has a bad
reputation all around
So sell your only son
and keep the company
going
Sin Joo
didn't know you
cared so much
about your father

es Sir too
Let s not do this
will handle the
pressure It s
nothing
ou don't need
to Let s go to
the hall and
continue the
engagement
No
ou are my only
son
can sacrifice few
things for ou
Let s break the
engagement
ou are free now
will free ou

Sacrifice ?
freedom ?
Shame on you
for putting those
words in your
mouth
What did you say a year
ago ?
"I cannot let the company
suffer because of a son
like you. will sell you to
the highest bidder
So get along with
Aram and make her
pleased."
Sin Joo ?
You pushed me into it
this far and now what?
Break the deal ?

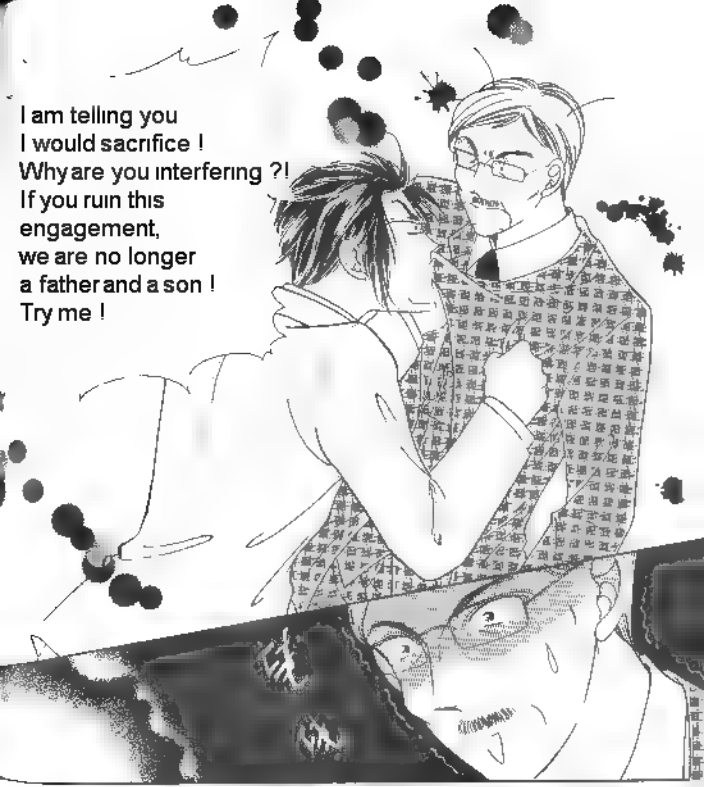
Who do you think you are?!
You've made me come this far and now you are gonna break the deal?! If you do have guilt recall what you've done
I am going to get engaged
I am going to sacrifice my soul willingly for your company
My dear son

Do you want to get engaged
Shut up I am sacrificing myself for a godforsaken father
Sin Uoo ?!

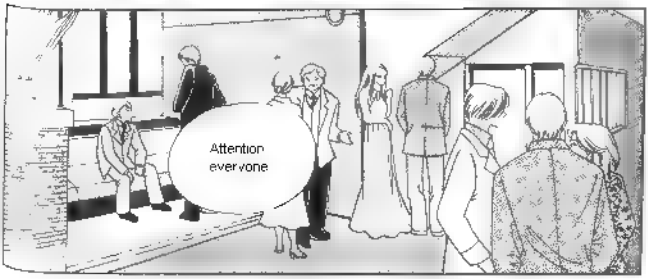
Why are you here
Are you here to meet someone
Uwaaa -
didn't spill it
Here drink one I've had 7 of these

These are all free
didn't know
Everything that the
waiters carry is free
this is heaven
You drink too
can pick up
more
What are you
doing here ?!
You can't make
the guests wait
any longer
Wait here
will fish some
more food for
ya

You fell again I told you to pick up your skirt a bit when walking
We've been cheated I didn't know Aram was that kind of girl I should have known that you'd have a good reason for disliking the deal I am such a fool
I am breaking this engagement
That dirty low intelligence I am breaking the engagement
그으으-
told you that I would sacrifice you amoeba-like father



I am telling you
I would sacrifice !
Why are you interfering ?!
If you ruin this
engagement,
we are no longer
a father and a son !
Try me !



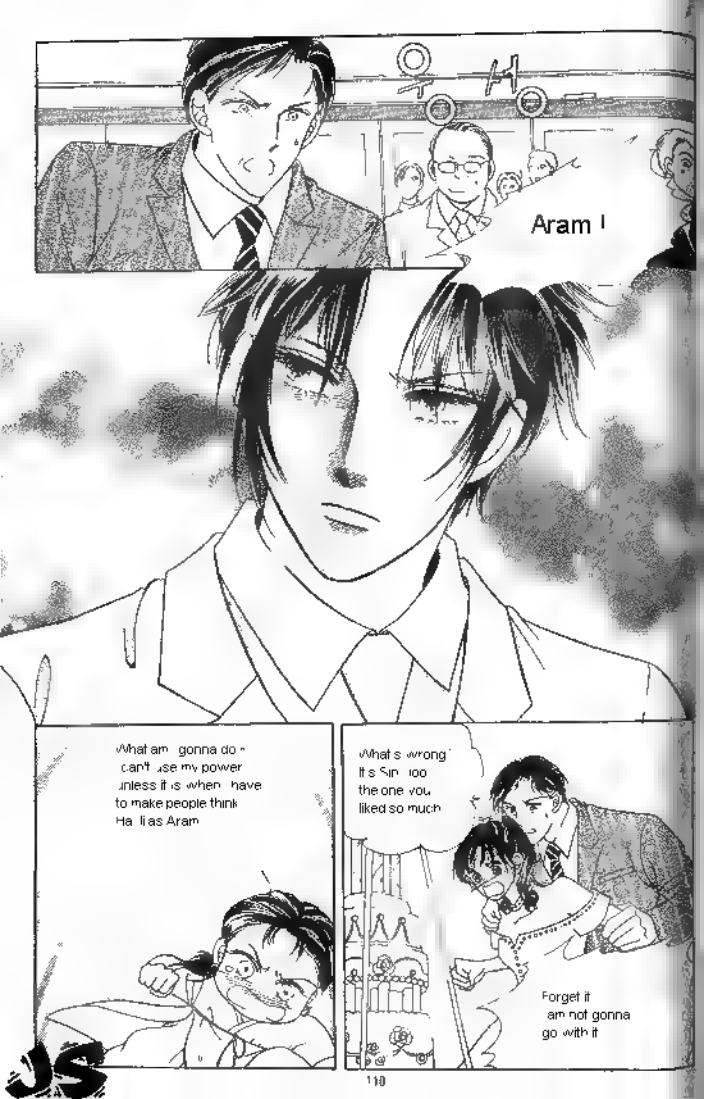
Attention
everyone

Now quickly to the alter
5 level cake It's bigger than what I thought it would be
I am going to eat the first level and give the second level to Sin Joo
We now begin the ceremony of Sin Joo Park and Ajam Han's engagement
Sin Joo ?

Why are you here
Why Have you already forgotten the face of your fiance
Fiance
You and me
It s not like want to be here am being sold

isn't getting engaged what people do before marriage
Then I am going to be married to Sin Joo
Well I am not comfortable with marriage but I guess it's all right if it is Sin Joo
Ms. Aram Han please stand up
Aram
Aram is going to marry Sin Joo

Ha Ji !
Wait
!@#$!
I am not going to get engaged to you, Sin Uoo Park !



Aram I
What am gonna do
can't use my power
unless it is when have
to make people think
Ha li as Aram
What s wrong
It s Sin too
the one you
liked so much
Forget it
am not gonna
go with it

I don't need this cake !
Aram !
How ... how dare that indecent my son ... my son
Sir !
Indecent ?! Who are you calling my beautiful daughter indecent ?!
You cheated am breaking the engagement How could you let my son take that crazed psycho
psycho ?! You no-good style old man
You cheater
President ?!
Take pictures now
This is golden Two presidents from one of top10 companies are pulling each other's hair off and fighting This will be on the front page

Quit messing around
You lost to me You acknowledged that you lost Are you breaking your own word
You said anyone would be OK for you as long as he is stronger than you
Or wasn't it enough to make you feel truely defeated
I knew the price for being defeated by you was the engagement I wouldn't have given up so easily like that I did not know any of this

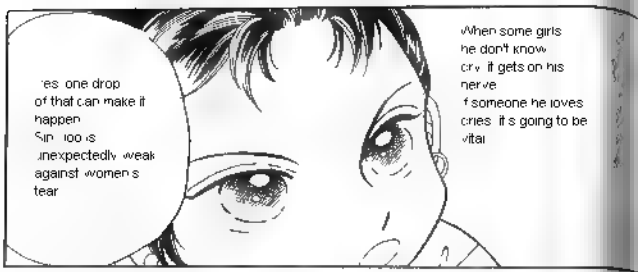
You are not making any sense
don't know don't care am not gonna get engaged
Shit ! - right ! face me !
Take that scene too
Whoa ~ a lot of big people act like performers today am so happy that want to bow to them

All right
f you cannot accept
your loss from that day
will fight the way you
want
f you defeat me
will forget you and
never bother you again
But f defeat you
expect to be hurt real
badly
What
Jealousy
Ha ll lost her mind due
to her jealousy
So far it was only
Sin loo s one-sided
love

This has gone too far
They both now know
about their own feelings
YOI
OI

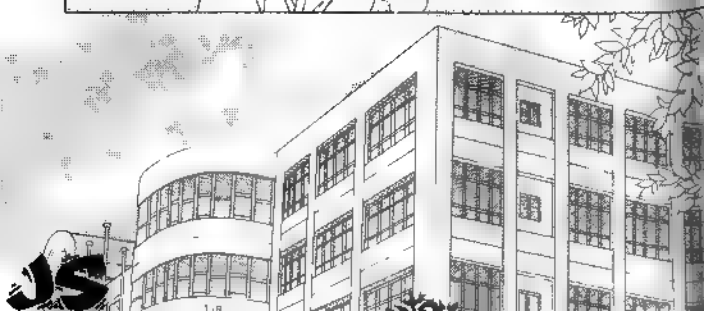
have to fight him again am going to lose for certain And f lose have to get engaged
Engaged With Aram
I am going to win ! I have to win !
She is out of mind for her jealousy
feel foolish that haven't noticed Ha ll's feeling has advanced this far At this rate Sin joo will also find out about her feelings soon
No cannot let Sin joo be all happy
But Sin joo s current feelings for her is too strong to break

Sin loo s
feelings ?!
can tell you
a way to defeat
him
Sin loo s
weakpoint
s women s
ultimate
weapon
ltimate
weapon
Women s
I mean
tear !
Tear



When some girls
he don't know
cry it gets on his
nerve
f someone he loves
cries it s going to be
vital
es one drop
of that can make it
happen
Sin loo s
unexpectedly weak
against women s
tear

Tear Do you want
to cry Me ?!
That s like saving
lost
would rather bite
a knife and bump my
mouth on to an object



Sin Uoo !
saw the headline news
is it true ? didn't know
she was the daughter of
the president of Ahsan corp
and moreover
she rejected you during
the engagement ceremony
Sin Uoo ?

Did you look at the newspaper The front page is filled with the news
Look at this those people who always stayed cool are pulling each other s hair off
Could this be all Aram s plan to get back on Sin too
Could be Considering what he has done to her what a scary girl
That loner is going too far Does she think face is everything
heard face is a made one
So heard When she was in coma she had a full body transfromation

What a disgusting bitch
So that face is the result of latest modern medical technology
Look what she is doing She has no shame
She pays no attention to her surroundings I guess her mind is at peace
Mi eong what are you going to do
Are you just going to let that disgusting bitch roam around

10 minutes until 6
you should go

This body will be all right after one year of training But guess he wouldn't postpone the duel until a year huh
터덜
use women's weapon That's your only ticket
Crying acknowledges my loss
Then watch Sin Too and Aram get engaged

끼익
탓
탓
탓

let's begin
This is not good
My body still remmebers
the fear
Whatever
let's just do it

All right
I've experienced his
speed before
can adjust now
휘잉
Considering
this body is
one tempo
slower than
Ha Il's
타앙

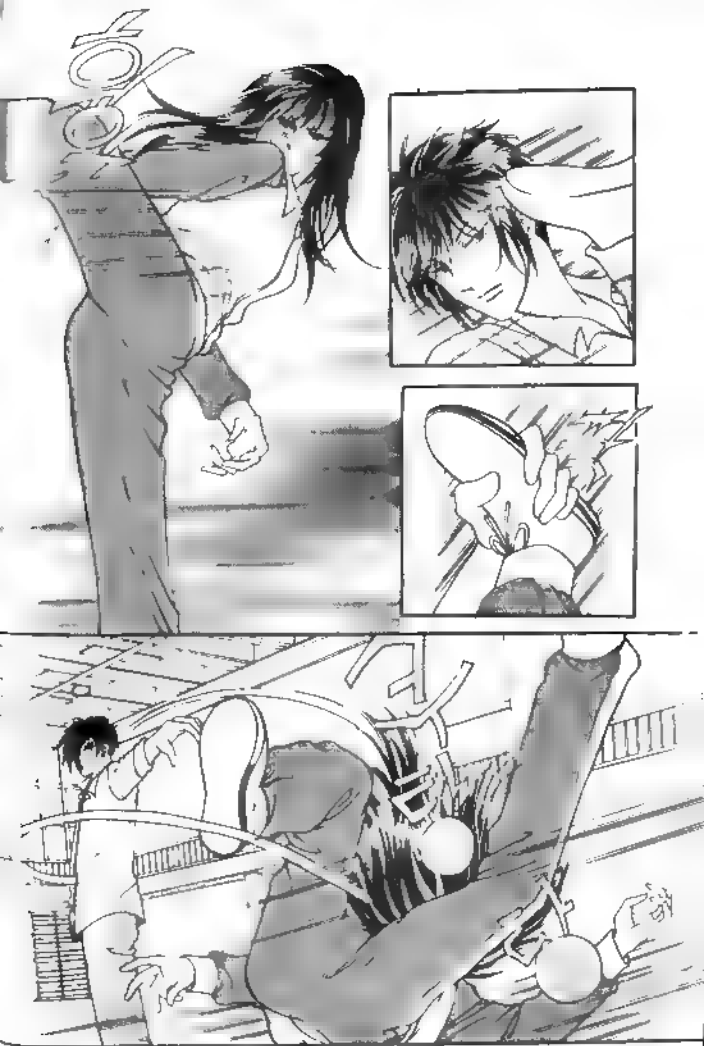
Bullseye
My lucky punch was it critical

Have you forgotten
Your punch has no
power
Speed and accuracy
are your key points

So the most ideal attack would be twirling your body and increase your attack power
But as you know it won't work on me
But you do whatever you want
After all I don't want you saving you wouldn't accept your defeat



My Aram
She s bleeding
from her forehead
Shit
Only losers cry
Cry
That s the only
way
Are you
already
tired
Come on
Quit being
arrogant

This is going way too far
Sin Joo is punching and kicking Aram repeatedly with no mercy

Will power only works to fill a small gap
Quit resisting and acknowledge your defeat for real
still have strength to fight
will not raise a white flag that easily

I am sorry
to inform you
but
your attack has already
lost it's speed

Acknowledge your defeat
Bullshit
f this was Ha li's body wouldn't have been defeated like this
f was in my original body wouldn't have felt this sensation of defeat
$#@! not yet

won't lose to you
will never lose to you

Do you don't want it that much
am crying
am crying like a bitch
No way
lost

lost
will cancel the engagement
And will not bother you ever again

He lost
Did he just say he lost
Bravo
I feel somewhat weird about this whole thing but I won That s all that matters
She is really an amoeba She has already forgot about only losers would cry and such
So this is the ultimate weapon huh
I am going to use it often from now on
Anyway it s solved now Sin Joo who has so high pride said it with his own will
It s all done There is no way that Sin Joo and Aram will get engaged
Yep yep Sin Joo will know what it is like to be rejected

Then am
the jang
now
Life as a
worthless wasn't
bad though
It was good that
Sir ki ye e ap on
hee tea that means
he won't see Ai am
ah
Ai am will be sad
when she returns
탕 탕
Open the door
Are you making
me skip the dinner
again
I can't ! If he sees
your face, he will
kill me !

Are you saying I have to be locked up in here until bruises are healed ?!
Of course I will send your food into your room So don't come out while he is home
Ok mother Eating alone is better for me anyway
What what did you just say ?
What did I say what ? Give me my food I am hungry
Mother She said mother
And she won't repeat because she's shy
she finally accepted me
FIOL

It's Aram
What happened to her face
Did she "fix" her face again?
Looks like you are right. She's covering her face

슬금
슬금

She became a loner
again
When Aram returns
it will be the same
no it will be harder
for her

話

Words are sure fast
They already know
am the gang and
afraid to approach
me
Woo.

How can she think like that want to abandon her
am off as a loner now
ou are the loner now
What do you think of this situaiton where no one talks you
When was a jjang no one tries to talk or approach me either A life as a jjang is lonely and cold
So in another word a loner and a jjang share the same life style

He didn't come
He has got flu
Are you looking for Sin Joo ?
Do you want to pay him a visit ?
He told me to take you alone
Flu ?!
I was the one who got beat up
Why did he get the flu ?
I dragged this wounded body and went to school and he has got to spend the day so easy ?!

What an obvious lie
I am gonna ditch the school today So let's go now
She is walking right into a trap
What am I gonna do ? I've already been warned not to interfere too much
Please come back Aram before your body gets too damaged
Wow this is the house of the riches huh I can't see the house

This is the garden ?
It looks like a park
think she is
